Product Description

Weiyou® Infrared heat lamp for piglet design glass more thick by 30%, and brightness reduced by 30%, which contains solar spectrum, promotes the growth of animals, and protects the animals. Weiyou® Infrared heat lamp for piglet uses PAR38 explosion-proof glass, so the infrared lights diffuse reflectance are uniformly distributed. Weiyou® Infrared heat lamp for piglet is mainly used for Animal&Poultry farm, Physical therapy, Swine, Chicks, etc. OEM customization is acceptable. Free samples, and small quantity can be supplied.
